

Located within an hours drive north from Melbourne's CBD, Macedon Ranges Shire is renowned for its' semi-rural lifestyle, its' pristine landscapes and forest, unique features such as Hanging Rock and the character and heritage of local towns including Malmsbury in the north and Gisborne and Macedon in the south.

Council is currently seeking applications for the following position:

BROADBAND PROJECT DEMAND AGGREGATION BROKER

(Contracted until July 2006)

Package circa \$85,000 pa (pro rata)

(Negotiable depending on experience)

The Demand Aggregation Broker project seeks to increase access to affordable Broadband services in the target communities in the Central Ranges of Victoria across the Shires of Macedon Ranges, Mitchell and Murrindindi.

Macedon Ranges Shire Council is the lead agency in the delivery of this 12 month Federally funded project and the position sits within the Economic Development, Tourism and Culture Unit.

As an applicant you will be fully aware of the Federal Government's National Broadband Strategy and activities being undertaken at a State and Regional level to improve Broadband access.

You will have excellent communication skills in relationship building as well as a strong project management background. Extensive experience in the Information, Communication and Technology industry or related fields will be sought.

Contact Person: Brett Luxford Phone 5422 0354

Closing Date: 8 July 2005

The interviews for this position will be held on Thursday 14 July and/or Friday 15 July 2005.

This is a full-time contracted position until July 2006.
